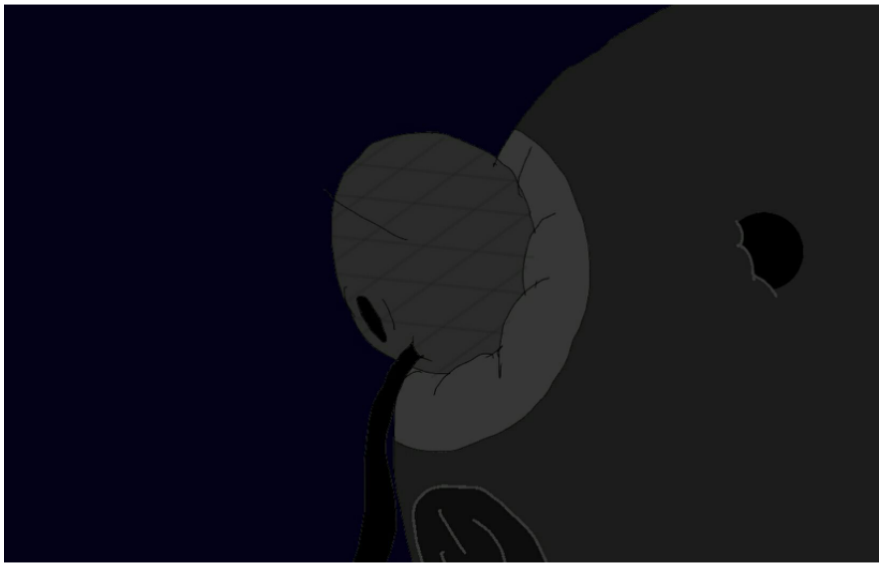
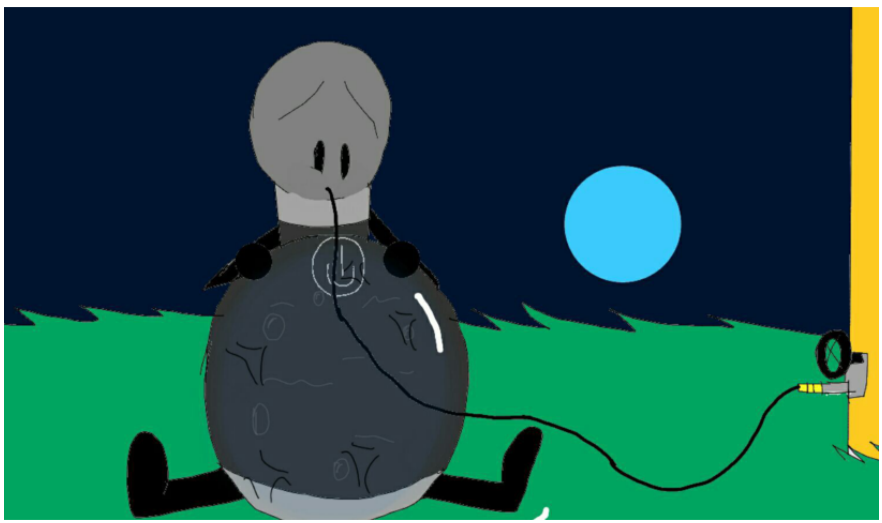
FIGHTING

I.I. 2 Inflation

When Mic was Alone She Found an Air Tank with a hose on it, She puts it in Her mouth as she Starts to inflate herself, Mic felt a little embarrassed, her belly inflates bigger as her hands and feet were sucked into her puffy body, after that she starts floating in the air, Nobody was there to Help her, about a couple minutes later, She was in Space floating away from Inanimate insanity



Water Bloat



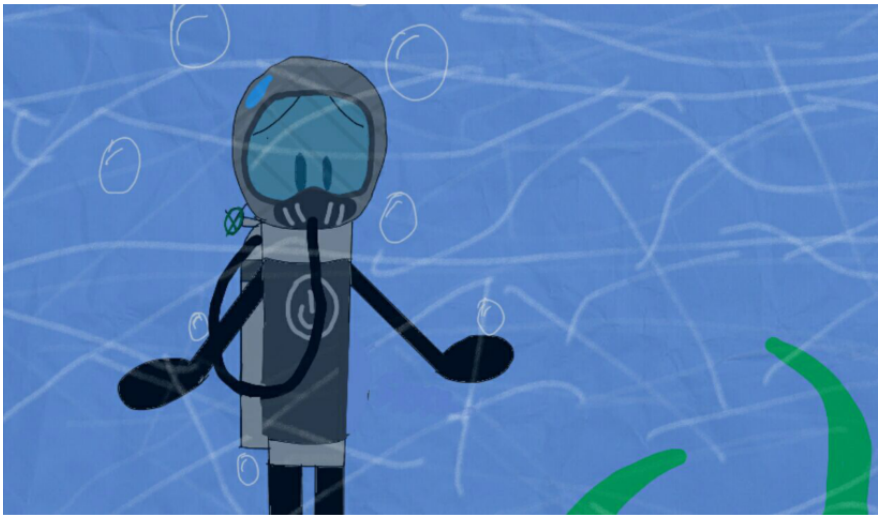
One Day at night, Mic was all alone In the grass, The Hose Magically got into her mouth, and It Turned on by Itself, She Suddenly Woke up and Realized she was getting Filled up with Water, Microphone Felt Scared That she will Electrocute to Death, No one was There, She was Getting Really Big, Her Stomach was getting Hurt, It Just Keeps Going...

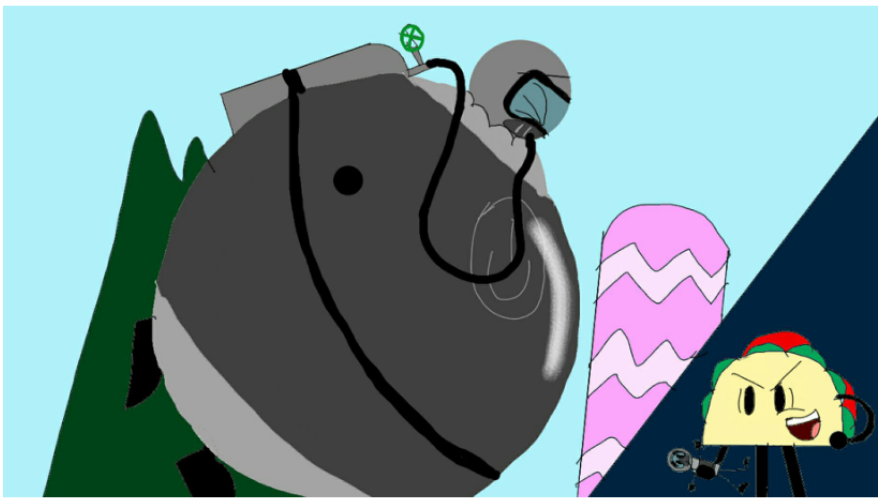
I made this for Melody_Ella & @BerrieHD because they love inflation

I Made Mic and Suitcase From Inanimate Insanity II About an Hour ago

I did this Yesterday

I think you seen this already





Microphone... What are you doing?

I bet she wants one of these... 😏
